

April 4, 2020

Dear SASED Parents/Guardians,

All Illinois schools are now in a period of “Remote Learning Days” through April 30, 2020, as a measure to slow the spread of COVID-19. As we transition to remote learning, SASED will be using Monday and Tuesday, April 6th and 7th as remote learning planning days.

On April 6th and 7th staff will begin reaching out to you by phone and email to talk about the remote learning days and to discuss with you the learning plan for your child. If you happen to miss a staff phone call or e-mail, please try to connect with the staff member as soon as possible.

For additional information on remote learning, please click on the green tile labeled “Remote Learning” on the SASED home webpage, www.sased.org. Clicking on the green tile will bring you to additional new webpages for SASED classrooms and hearing and vision itinerant staff. These webpages have contact information for staff as well as links to materials for remote learning.
