

JOB DESCRIPTION

Title: Music Therapist - ESY

Reports to: ESY Site Manager

Job Goal: The Music Therapist will work collaboratively with the classroom team to support the educational needs of students in the areas of music and music curriculum.

Qualifications:

1. Bachelor's degree in Music Therapy or its equivalent as approved by the National Association of Schools of Music, including the successful completion of a six month internship at an approved clinical training facility.
2. Must be a currently registered/board certified music therapist (N.A.M.T., M.T. - BC).

Duties & Responsibilities:

1. Provide small group instruction in a classroom setting to address the individualized educational needs of each student.
2. Provide services in a transdisciplinary team, integrated model.
3. Work flexibly with students of varying ability levels.
4. Collaborate with fellow team members in the development of goals and instructional strategies.
5. Implement medical or behavioral plans specific to student needs as necessary.
6. Demonstrate professional work ethic and excellent interpersonal skills to promote a collaborative team effort.
7. Support and supervise educational support personnel.
8. Demonstrate the ability to implement individualized behavior plans created by the classroom team.

Nothing in this job description restricts management's right to assign or reassign duties and responsibilities to this job at any time.

Terms of Employment: ESY calendar at compensation set by the SASED Board of Control.

Evaluation: Performance will be evaluated.
