SASED Legal Status

The Illinois Constitution requires the State to provide for an efficient system of high quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities.

The General Assembly has implemented this mandate through the creation of joint agreements of various types for the purpose of providing special education services to children with disabilities. The School Association for Special Education in DuPage (SASED) is governed by this mandates.

Consistent with 105 ILCS 5/10-22.31, SASED's Governing Board shall serve as the administrative and legal entity for the Special Education District.

The SASED Governing Board constitutes a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.
