

Governance

Committees

The Board of Control may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. Members of the Board of Control annually volunteer for committees. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Policy Committee -(Board of Control)
2. Finance Committee -(Board of Control)

Nothing in this policy limits the authority of the Executive Director or designee to create and use committees that report to him or her or to other staff members.
