

Operational Services

Investments

The Treasurer shall either appoint a Chief Investment Officer or serve as one. The Chief Investment Officer shall invest money that is not required for current operations, in accordance with this policy and State law.

The Chief Investment Officer and the Executive Director shall use the standard of prudence when making investment decisions. They shall use the judgment and care, under circumstances then prevailing, that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of their capital as well as its probable income.

Investment Objectives

The objectives for the SASED's investment activities are:

1. Safety of Principal - Every investment is made with safety as the primary and over-riding concern. Each investment transaction shall ensure that capital loss, whether from credit or market risk, is avoided.
2. Liquidity - The investment portfolio shall provide sufficient liquidity to pay SASED obligations as they become due. In this regard, the maturity and marketability of investments shall be considered.
3. Rate of Return - The highest return on investments is sought, consistent with the preservation of principal and prudent investment principles.
4. Diversification - The investment portfolio is diversified as to materials and investments, as appropriate to the nature, purpose, and amount of the funds.

Authorized Investments

The Chief Investment Officer may invest SASED funds in one or more of the following:

1. Bonds, notes, certificates of indebtedness, treasury bills, or other securities now or hereafter issued, that are guaranteed by the full faith and credit of the United States of America as to principal and interest.
2. Bonds, notes, debentures, or other similar obligations of the United States of America, its agencies, and its instrumentalities.

The term "agencies of the United States of America" includes: (i) the federal land banks, federal intermediate credit banks, banks for cooperative, federal farm credit banks, or any other entity authorized to issue debt obligations under the Farm Credit Act of 1971 and Acts amendatory thereto, (ii) the federal home loan banks and the federal home loan mortgage corporation, and (iii) any other agency created by Act of Congress.

3. Interest-bearing savings accounts, interest-bearing certificates of deposit or interest-bearing time deposits or any other investments constituting direct obligations of any bank as defined by the Illinois Banking Act.
4. Short term obligations of corporations organized in the United States with assets exceeding \$500,000,000 if: (i) such obligations are rated at the time of purchase at one of the 3 highest classifications established by at least 2 standard rating services and that mature not later than 270

days from the date of purchase, (ii) such purchases do not exceed 10% of the corporation's outstanding obligations, and (iii) no more than one-third of SASSED's funds may be invested in short term obligations of corporations.

5. Money market mutual funds registered under the Investment Company Act of 1940, provided that the portfolio of any such money market mutual fund is limited to obligations described in paragraph (1) or (2) and to agreements to repurchase such obligations.
6. Interest-bearing bonds of any county, township, city, village, incorporated town, municipal corporation, school district, the State of Illinois, any other state, or any political subdivision or agency of the State of Illinois or any other state, whether the interest earned is taxable or tax-exempt under federal law. The bonds shall be (a) registered in the name of the municipality, county, or other governmental unit, or held under a custodial agreement at a bank, and (b) rated at the time of purchase within the 4 highest general classifications established by a rating service of nationally recognized expertise in rating bonds of states and their political subdivisions.
7. Short term discount obligations of the Federal National Mortgage Association or in shares or other forms of securities legally issuable by savings banks or savings and loan associations incorporated under the laws of this State or any other state or under the laws of the United States. Investments may be made only in those savings banks or savings and loan associations, the shares, or investment certificates that are insured by the Federal Deposit Insurance Corporation. Any such securities may be purchased at the offering or market price thereof at the time of such purchase. All such securities so purchased shall mature or be redeemable on a date or dates prior to the time when, in the judgment of the Chief Investment Officer, the public funds so invested will be required for expenditure by the SASSED or its governing authority.
8. Dividend-bearing share accounts, share certificate accounts, or class of share accounts of a credit union chartered under the laws of this State or the laws of the United States; provided, however, the principle office of any such credit union must be located within the State of Illinois. Investments may be made only in those credit unions the accounts of which are insured by applicable law.
9. A Public Treasurers' Investment Pool created under Section 17 of the State Treasurer Act. The SASSED may also invest any public funds in a fund managed, operated, and administered by a bank, subsidiary of a bank, or subsidiary of a bank holding company or use the services of such an entity to hold and invest or advise regarding the investment of any public funds.
10. The Illinois School District Liquid Asset Fund Plus.
11. Repurchase agreements of government securities having the meaning set out in the Government Securities Act of 1986, as now or hereafter amended or succeeded, subject to the provisions of said Act and the regulations issued there under. The government securities, unless registered or inscribed in the name of the SASSED, shall be purchased through banks or trust companies authorized to do business in the State of Illinois.

Except for repurchase agreements of government securities that are subject to the Government Securities Act of 1986, as now or hereafter amended or succeeded, SASSED may not purchase or invest in instruments that constitute repurchase agreements, and no financial institution may enter into such an agreement with or on behalf of SASSED unless the instrument and the transaction meet all of the following requirements:

- a. The securities, unless registered or inscribed in the name of SASSED-, are purchased through banks or trust companies authorized to do business in the State of Illinois.
- b. The Chief Investment Officer, after ascertaining which firm will give the most favorable rate of interest, directs the custodial bank to "purchase" specified securities from a designated institution. The "custodial bank" is the bank or trust company, or agency of

government, that acts for SASSED in connection with repurchase agreements involving the investment of funds by SASSED. The State Treasurer may act as custodial bank for public agencies executing repurchase agreements.

- c. A custodial bank must be a member bank of the Federal Reserve System or maintain accounts with member banks. All transfers of book-entry securities must be accomplished on a Reserve Bank's computer records through a member bank of the Federal Reserve System. These securities must be credited to the SASSED on the records of the custodial bank and the transaction must be confirmed in writing to the SASSED by the custodial bank.
 - d. Trading partners shall be limited to banks or trust companies authorized to do business in the State of Illinois or to registered primary reporting dealers.
 - e. The security interest must be perfected.
 - f. SASSED enters into a written master repurchase agreement that outlines the basic responsibilities and liabilities of both buyer and seller.
 - g. Agreements shall be for periods of 330 days or less.
 - h. The Chief Investment Officer informs the custodial bank in writing of the maturity details of the repurchase agreement.
 - i. The custodial bank must take delivery of and maintain the securities in its custody for the account of SASSED and confirm the transaction in writing to SASSED. The custodial undertaking shall provide that the custodian takes possession of the securities exclusively for SASSED ; that the securities are free of any claims against the trading partner; and that any claims by the custodian are subordinate to SASSED 's claims to rights to those securities.
 - j. The obligations purchased by SASSED may only be sold or presented for redemption or payment by the fiscal agent bank or trust company holding the obligations upon the written instruction of the Chief Investment Officer.
 - k. The custodial bank shall be liable to SASSED for any monetary loss suffered by SASSED due to the failure of the custodial bank to take and maintain possession of such securities.
12. Any investment as authorized by the Public Funds Investment Act, and Acts amendatory thereto. Paragraph 11 supersedes paragraphs 1-10 and controls in the event of conflict.

Except as provided herein, investments may be made only in banks, savings banks, savings and loan associations, or credit unions that are insured by the Federal Deposit Insurance Corporation or other approved share insurer.

Selection of Depositories, Investment Managers, Dealers, and Brokers

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board of Control will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last 2 sworn statements of resources and liabilities or reports of examination, that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish SASSED with a copy of all statements of resources and liabilities or all reports of examination, that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) SASSED initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

SASSED may consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. SASSED may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977, the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the federal Community Reinvestment Act of 1977;
2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of SASSED deposits might have on the financial institution;
4. The financial impact to SASSED as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on SASSED's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, 30 ILCS 235. The Chief Investment Officer shall determine other collateral requirements and shall keep the Board informed of collateral agreements on behalf of the Executive Director.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in SASSED's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3 Deposits with Financial Institutions, Investments

(including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Executive Director or designee shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a monthly investment report to the Board **of Control**. The report will: (1) assess whether the investment portfolio is meeting SASSED's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to SASSED, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

Ethics and Conflicts of Interest

The Board of Control and Chief Investment Officer will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board

policy 2:100, *Board Member Conflict of Interest*. No SASSED employee having influence on SASSED's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which SASSED is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or
3. Receive, in any manner, compensation of any kind from any investments in that the agency is authorized to invest.
