### District Calendar and Day

Students enrolled in SASED programs will follow the school calendar adopted by the District in which the program is located.

Students enrolled in programs housed in SASED-owned facilities or in facilities leased by SASED solely for educational programming will follow the school calendar adopted by the Board of Control.

SASED, upon the Executive Director's recommendation and subject to State regulations, will annually establish the dates for teacher institutes and in-services, the length and dates of vacations, and the days designated as legal school holidays. The school calendar shall have a minimum of 185 days to ensure 176 days of actual student attendance.

### Commemorative Holidays

The teachers and students shall devote a portion of the school day on each commemorative holiday designated in The School Code to study and honor the commemorated person or occasion. The Board may, from time to time, designate a regular school day as a commemorative holiday.

### School Day

The Board establishes the length of the school day with the recommendation of the Executive Director and subject to State law requirements. The Executive Director or designee shall ensure that observances required by State law are followed during each day of school attendance.
