### Administrative Procedure - Access to Classrooms and Personnel

As used below Host District refers to any member district in which a SASED program is housed.

Access to SASED classrooms and personnel is permitted in limited situations by Section 105 ILCS 5/14-8.02(g-5), amended by P.A. 96-657. Guidelines follow:

1. These guidelines apply to access requested by the parent/guardian of a student receiving special education services, or being evaluated for eligibility, an independent educational evaluator, or a qualified professional retained by or on behalf of a parent/guardian or child. A *qualified professional* means “an individual who holds credentials to evaluate the child in the domain or domains for which an evaluation is sought or an intern working under the direct supervision of a qualified professional, including a master’s or doctoral degree candidate.” These individuals are referred to in this procedure as *visitors*.
2. Visitors will be afforded reasonable access to SASED educational facilities, personnel, classrooms, and buildings and to the child. To minimize disruption, reasonable access means that the parent(s)/guardian(s) or qualified professional retained by or on behalf of a parent/guardian or child is allowed access once per school quarter for up to one hour or one class period. A visitor may request the authorized SASED administrator to grant longer or additional observations based on individual circumstances and provide any supporting documentation in support of such a request. A professional evaluator can request longer or additional observations in his or her initial request. The SASED administrator may grant, deny, or modify the request and the administrator’s decision shall be final.
3. Visitors must comply with:
  - a. School safety, security, and SASED/Host District visitation policies at all times.
  - b. Applicable privacy laws, including those laws protecting the confidentiality of education records such as the federal Family Educational Rights and Privacy Act and the Illinois School Student Records Act.
  - c. SASED/Host District Board policy 8:30, *Visitors to and Conduct on School Property*. They may not disrupt the educational process.
4. If the visitor is a parent/guardian, he or she will be afforded reasonable access as described above for the purpose of:
  - a. Observing his or her child in the child’s current educational placement, services, or program, or
  - b. Visiting an educational placement or program proposed for the child by the IEP team and arranged through the referring district.
5. If the visitor is an independent educational evaluator or a qualified professional retained by or on behalf of a parent or child, he or she must be afforded reasonable access of sufficient duration and scope for the purpose of conducting an evaluation of the child, the child’s performance, the child’s current educational program, placement, services, or environment, or any educational program, placement, services, or environment proposed for the child, including interviews of educational personnel, child observations, assessments, tests or assessments of the child’s educational program, services, or placement or of any educational

program proposed by the IEP team, services, or placement. If one or more interviews of SASED or host district school personnel are part of the evaluation, the interviews must be conducted at a mutually agreed upon time, date, and place that do not interfere with the employee's school duties. In collaboration with the host district administration (when applicable) the SASED administrator may limit interviews to personnel having information relevant to the child's current educational services, program, or placement or to a proposed educational service, program, or placement.

6. Prior to visiting a school, school building, or school facility, a visitor must complete 6:120-AP2, E1, *Request to Access Classroom(s) or Personnel for Special Education Evaluation and/or Observation Purposes*. This form serves to:
  - a. Inform the SASED administrator and the administrator in the student's district of residence in writing of the proposed visit(s), the purpose, and the duration, and
  - b. Identify requested dates/times for the visit(s) to facilitate scheduling.
7. The student's parent/guardian must consent in writing to the student being interviewed by the named evaluator as part of a visit. The parent/guardian will grant this consent by completing 6:120-AP2, E1, *Request to Access Classroom(s) or Personnel for Special Education Evaluation and/or Observation Purposes*.
8. The student's parent/guardian, or the student if he or she is over the age of 18, must execute an Authorization to Release Student Record Information before an independent educational evaluator or a qualified professional retained by or on behalf of a parent/guardian or child will be given access to student school records or to personnel who would likely release such records during discussions about the student. If a student is over the age of 12 and the records contain mental health and/or developmental disability information, the student must also be requested to sign the Authorization to Release information before any observation by or disclosure of school student records or information to a visitor.
9. The visitor must acknowledge, before the visit, that he or she is obligated to honor all students' confidentiality rights and refrain from any re-disclosure of such records. The visitor will provide this acknowledgment and agreement by completing 6:120-AP2, E1, *Request to Access Classroom(s) or Personnel for Special Education Evaluation and/or Observation Purposes*.
10. The SASED Administrator will attempt to arrange the visit(s) at times that are mutually agreeable. The SASED Administrator or designee will accompany any visitor for the duration of the visit, including during any interviews of staff members.
