

Students

Extracurricular Athletics

Student participation in SASED and/or host school-sponsored extracurricular athletic activities is contingent upon the following:

1. The student must meet the academic criteria set forth in the SASED and/or host district Board policy on school sponsored extracurricular activities.
2. The parent(s)/guardian(s) must provide written permission for the student's participation, giving SASED full waiver of responsibility of the risks involved.
3. The student must present a certificate of physical fitness issued by a licensed physician, an advanced practice nurse, or a physician assistant who assures that the student's health status allows for active athletic participation.
4. The student's parent(s)/guardian(s) must provide a written statement that the student is covered under a medical insurance plan. Any accident insurance coverage provided by SASED is considered secondary to the family's insurance.

The Executive Director or designee shall maintain the necessary records to ensure student compliance with this policy.
