### **Community Use of SASED Facilities**

SASED's solely owned or operated school facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any SASED function or the safety of students or employees, or (2) affect the property or liability of SASED. The use of school facilities for school purposes has precedence over all other uses. SASED reserves the right to cancel previously scheduled use of facilities by community organizations and other groups. The use of school facilities requires the prior approval of the Executive Director or designee and is subject to applicable procedures. Persons on school premises must abide by SASED's conduct rules at all times.

Student groups and SASED-related organizations, government agencies, and non-profit organizations are granted the use of school facilities at no costs during regularly staffed hours. Fees and costs shall apply during non-regularly staffed hours and to other organizations granted use of facilities at any time. A fee schedule and other terms of use shall be prepared by the Executive Director and be subject to annual approval by the Board of Control.

The Executive Director shall develop procedures to manage community use of SASED facilities. Use of school facilities requires the Executive Director's approval and is subject to the procedures.
