

2021 Extended School Year Information

Eligibility:	A student's eligibility is determined at a student's IEP meeting.
Required Documentation on the IEP:	According to Illinois regulations, there must be a statement in a student's IEP as to whether the child requires extended school year services in order to receive a free appropriate public education and, if so, a description of those services that include their amount, frequency, duration, and location.

	If your child requires medication to be administered during the ESY program, you must complete the "School Medication Permission" form, which must be signed by a physician and submitted with the medication in its original container.
Transportation:	Transportation will be coordinated between the districts and the ESY program. If the student moves over the summer, it is the parent's responsibility to register in the new district so that a determination can be made as to whether or not the student can participate in the SASED ESY programs.
School Checklist:	(You must attach the following documents with the application.)
	ESY application form
	Current IEP
	Behavior Management Plan (if applicable)
	Emergency Health Care Plan (if applicable)
	Transition Form (if applicable)
	Goal Attainment Worksheet

STAFF ORIENTATION: July 1 and 2, 2021 8:15 am – 3:00 pm, both days
