

Save the date,

On May 5, 2023, SASED, in partnership with the DuPage County Forest Preserve District, is sponsoring and hosting their 7<sup>th</sup> annual day of exploration and fun at St. James Farm in Warrenville, IL. SASED students and staff, Special Needs students from our member districts, and friends are all invited to join in!

The 612-acre St. James Farm Forest Preserve in Warrenville contains over 100 acres of woodlands, prairies and wetlands, which are home to over 300 native plant species and wildlife like great blue herons, red-bellied woodpeckers, white-breasted nuthatches, coyotes, fox squirrels and white-tailed deer. St. James Farm is located at 2 S 541 Winfield Road, Warrenville, IL.

Over 2,000 students have participated in previous outdoor education days.

The times for this event will be during your normal, regular school hours.

Under close supervision of the SASED staff, and the watchful eye of the Forest Rangers, students can participate in fishing, outdoor games, a wheelchair accessible hayride, kayaking, archery and many more activities that have been developed or adapted for our specific needs.

If you have any questions or concerns, please contact Rich Laren at 630-200-8348 or [rlaren@sased.org](mailto:rlaren@sased.org).
